12 July 1971

MEMORANDUM FOR: Deputy Director for Plans  
Chairman, CS Historical Board

SUBJECT : Contract Employees in the CS  
Historical Program

REFERENCE : Secretary, CSHB Memo dated 8 July 71;  
Subj: Points Concerning the CS Historical  
Program for Discussion with the  
Executive Director-Comptroller

The attached listing of contract employees engaged in the CS historical program may be of interest in discussing future staffing of the program. It would seem that we need not rely exclusively on the [REDACTED] Project to fund employment of contract writers. The components should continue to designate and engage writers but their competence should be well established before employment is approved. [REDACTED] funds can be used for special cases, including preparation of overall DDP history.
